

Bizoe Idioglossia Malbec 2018

Vineyards

The Malbec vineyard is planted in Stellenbosch, Polkadraai. 17 year old vines planted approx 150m above sea level in Tukulu and Oakleaf soils.

Winemaking

The grapes were picked at optimal ripeness. The fermentation took place in open fermentation tanks. The wine matured in a combination of 225L and 500L french oak barrels.

Analysis

Alcohol 13.21%
Total Acidity 6.1 g/l
Residual Sugar 2.50 g/l
pH 3.34

Winemakers notes

This characterfull wine was handcrafted in limited quantities from grapes cultivated with care and precision. It has a beautifully inviting nose of ripe dark fruit, and these blackberry, cherry and plum flavours persist onto the palate. Limited quantities produced 2000 bottles.
